OPERATOR AGREEMENT / ADDENDUM

1. INTRODUCTION

1.1 The Protection of Personal Information Act, 4 of 2013 (POPIA), is a data protection privacy law, which as its main function and objective, regulates and controls the processing of Personal Information by a Responsible Party.

1.2 The Company in its capacity as a Responsible Party, for the purposes of carrying out its business and related objectives, does and will from time to time, process Personal Information belonging to a number of persons, including legal entities and individuals, who are referred to as Data Subjects under Data Processing Laws, including POPIA.

1.3 The Company, is obligated to comply with Data Processing Laws, including POPIA and the Data Protection conditions recorded under POPIA with respect to the processing of all and any Personal Information pertaining to Data Subjects.

1.4 The Company may ask third parties to process certain Personal Information, obtained from its Data Subjects, on its behalf.

1.5 In terms of section 20 of POPIA, if the Company discloses Personal Information that was collected from Data Subjects to another for processing or further processing such Personal Information on its behalf ("the Operator"), then any such processing must be subject to a written agreement concluded between the Company as the Responsible Party and the Operator, which contractually obliges the Operator to:

1.5.1 comply with the provisions of POPIA and the POPIA processing conditions when processing such Personal Information on behalf of the Company;

1.5.2 only process the Personal Information received from the Company in accordance with the mandate or written instruction received from the Company;

1.5.3 keep all the Personal Information held by the Operator on behalf of the Company and/or belonging to Company Data Subjects, confidential;

1.5.4 put measures in place in order to keep all such Personal Information held by the Operator, and processed on behalf of the Company confidential, safe and secure from misuse, abuse and/or unauthorised use or access.

1.6 The Company is desirous of providing the person (individual and/or a legal entity) to whom this Agreement/ Addendum applies (the "Operator") with certain Personal Information, which the Company would like the Operator to process on its behalf.

1.7 The Operator agrees to process the Personal Information on behalf of the Company subject to the terms and conditions set out under this Operator Agreement.

2. DEFINITIONS

2.1 The parties must note the following definitions, which will be used throughout this Operator Agreement, unless the context indicates a contrary meaning:

2.3   If there is a conflict between any provision in this Agreement / Addendum and any other other agreements that may be in place as between the parties, then, in so far as the conflict concerns the processing of Personal Information, the provision appearing in this Agreement / Addendum shall prevail.

2.4   For purposes of interpretation, in the case of the Agreement / Addendum, the terms set out hereunder shall at all times be read together with the terms recorded under the other agreements that may be in place as between the parties, which documents shall constitute one agreement. Except for the additions contemplated in this Agreement/ Addendum, all the provisions and terms recorded under the other agreements that may be in place between the parties remain unchanged and are with effect from the time that the Operator is asked to process Personal Information on behalf of the Company.

2.5   No agreement varying, adding to, deleting from or consensually cancelling this Agreement / Addendum shall be effective unless reduced to writing and signed by or on behalf of the Parties.

3.   MANDATE TO PROCESS

The Company hereby grants the Operator a mandate to process certain Personal Information on its behalf.

4.   OBLIGATIONS OF THE OPERATOR

4.1   The Operator expressly warrants and undertakes that it will:

4.1.1   process the Personal Information strictly in accordance with its mandate and any specific instructions provided to it by the Company from time to time;

4.1.2   not use the Personal Information for any other purpose, save for the purpose of processing the Personal Information as per Agreement / Addendum;

4.1.3   treat the Personal Information as confidential and only disclose, transfer and/or hand over Personal Information to those persons who are employed by it, and who need to process the Personal Information in accordance with the mandate to process as an Operator and/or in terms of the Agreement / Addendum under strict undertakings of confidentiality;

4.1.4   in addition to the provisions of clause 4.1.3, treat the Personal Information as confidential and only disclose, transfer and handover the Personal Information to third parties where under any specific instructions as issued by the Company in writing or where required by law. The disclosure, transfer or handover of Personal Information should only be done after the Operator has provided the Company with adequate warning of this requirement and the related details thereof. Details provided to the Company should include the identity of the person or legal entity who is to receive the Personal Information, the reason for the disclosure and confirmation that the person or legal entity to whom the Personal Information is to be disclosed to, has signed the POPIA onwards transmission notice attached hereto marked "Annexure A";

4.1.5   ensure that it has and will continue to have in place, appropriate technical and organisational measures to protect and safeguard the Personal Information against accidental or unlawful destruction or accidental loss, alteration, unauthorised disclosure or access. This should include Industry Best Practices that provide a level of security appropriate to the risk represented by the processing and the nature of the Personal Information to be protected. The safeguards must comply with the requirements set out under POPIA and be in line with the requirements described under the attached "Annexure B";

4.1.6   process Personal Information strictly in accordance with POPIA and the POPIA processing conditions;

4.1.7   not use the Personal Information for any direct marketing or advertising, research or statistical purposes, unless expressly authorised to do so as per its mandate. When conducting such activity, the Operator must ensure that this is done strictly in compliance with the requirements of POPIA and its regulations especially those applicable to direct marketing detailed under Section 69 of the Act;

4.1.8   not treat the Personal Information as its own, it expressly acknowledges that it has been tasked with processing the Personal Information in its capacity as the Company's Operator and agent, and that ownership of all the records housing the Personal Information and any records comprising such Personal Information pertaining to the Data Subject, will always remain with the Company;

4.1.9   not sell, alienate or otherwise part with the Personal Information or any of the records recording the Personal Information;

4.1.10   where it is allowed to make use of a Sub-Operator, ensure that such party concludes a "Sub-Operator agreement" , which compels the third party receiving the Personal Information to maintain the confidentiality and security of the Personal Information. Sub-Operator agreements will house the same terms and conditions as contained in this Agreement / Addendum and must be concluded before the Personal Information is transferred to the Sub-Operator;

4.1.11   ensure that any person acting under the authority of the Operator, including any employee or Sub-Operator, shall be obligated to process the Personal Information only on instruction from the Operator and strictly in accordance with this Agreement / Addendum, and in particular the Sub-Operator Agreement, where applicable;

4.1.12   notify the Company immediately where it has reasonable grounds to believe that the Personal Information that has been provided to it has been lost, destroyed, or accessed or acquired by any unauthorised person. In such event, the Operator must immediately make available to the Company the details of the Personal Information Breach; comply with all instructions and directions given by the Company; take all measures necessary to determine the scope of the compromise and to restore the integrity of the Personal Information compromised, co-operate fully with the Company in relation to any notifications made by the Company to any regulator, Data Subjects, or any other person; and co-operate fully with the Company in relation to any investigations that the Company or any regulator may initiate or which may be initiated by an investigator or other authority;

4.1.13   provide to the Company, and where applicable and with permission from the Company, provide to any investigators and regulators or authorities, with all assistance and co-operation requested in relation to any requests or complaints received from any person or entity, including requests for the deletion, updating or correction of Personal Information which it is processing on behalf of the Company;

4.1.14   On request, provide all information, data and materials required by the Company to confirm its compliance with obligations in this Agreement / Addendum. The information shall be provided at no additional cost. The information shall be provided to the Company promptly and within 5 (five) business days of the request or within the period prescribed by the Information Regulator or any regulatory body. If the Company or the Operator, as the case may be, is unable to provide or receive the information within this period, then such information will be provided within a period as agreed as between the parties, but in all events as soon as is practically possible;

4.1.15   comply with all reasonable directions and instructions that may be given by the Company regarding the processing of Personal Information in terms of the Agreement / Addendum. It is further agreed that any directions or instructions that are required for purposes of ensuring compliance with any applicable laws, including Data Protection Legislation, shall be deemed reasonable.

4.2   The Operator warrants that it has the legal authority to give the above-mentioned warranties and fulfil the undertakings set out in this Agreement / Addendum.

4.3   The Company in order to ascertain compliance with the warranties and undertakings recorded under this Agreement / Addendum, will have the right, on reasonable notice and during regular business hours, to view and/or audit, either by itself or through an independent agent, the Operator's facilities, files, and any other data processing documentation required for the audit and/or independent or impartial inspection. The Operator undertakes to provide all necessary assistance that may be required to give effect to this requirement.

5.   LIABILITY OF THE OPERATOR AND THIRD-PARTY RIGHTS

5.1   In the event of the Operator, the Sub-Operator or their respective employees or agents failing to comply with any of the provisions of POPIA or breaching any of the warranties and undertakings recorded under this Agreement / Addendum or the Sub-Operator agreement where applicable, the Operator shall be liable for all and any damages it or the Sub-Operator may have caused in consequence of said breach or non-compliance, including patrimonial, non-patrimonial and punitive damages suffered by the Company and/or the Data Subject(s). The Operator indemnifies and holds the Company including its directors, employees and all and any affected Data Subjects harmless against any such loss, damage, action or claim which may be brought by whomsoever against the Company or any of its directors, employees, or Data Subjects, or against any of the Company's affiliated companies, or their directors or employees, and agrees to pay all and any such amounts on demand.

6. APPLICABLE LAW

The laws of South Africa shall apply to this Agreement / Addendum, regardless of where the Personal Information is, will be, or was actually processed.

7. TERMINATION

7.1 In the event of:

7.1.1 any other agreements, between the Parties and to which these terms apply, being terminated for any reason;

7.1.2 the transfer of Personal Information to the Operator being temporarily suspended by the Company for any reason;

7.1.3 the Operator being in breach of its obligations under the Agreement / Addendum, or has failed to comply with POPIA or the Information Processing Principles , and has failed when called upon to do so by the Company, to rectify the breach or area of non-compliance;

7.1.4 the Operator is in substantial or persistent breach of any warranties or undertakings given by it under the Agreement / Addendum, notwithstanding that the Company has not given the Operator notice of such breach;

7.1.5 the Sub-Operator is in breach of the Sub-Operator agreement;

7.1.6 an application is filed for the placing of the Operator under business rescue, under administration, or winding up whether interim or final, which application is not dismissed within the applicable period for such dismissal under applicable law; or any equivalent event in any jurisdiction occurs,

then the Company, without prejudice to any other rights that it may have against the Operator, shall be entitled to terminate the Agreement / Addendum, as well as where applicable, the Sub-Operator agreement.

7.2 The Parties agree that the termination of the Agreement / Addendum, and/or the Sub-Operator agreement, where applicable, at any time and for any reason, does not exempt them from the rights and obligations set out under this the Agreement / Addendum and legislation, with regards to the processing of the Personal Information.

7.3 In the event of the Agreement or the Addendum being terminated, the Operator undertakes to:

7.3.1 restore and/or transfer back to the Company all and any Personal Information that has been provided to the Operator for processing, including that held by the Sub-Operator, whether same has been processed or not, and/or which has been processed together with any related documentation and/or information. All aforementioned documentation must, without exception, be returned to the Company within a period of 30 (thirty) days from the date of service of the termination notice.

7.3.2   to confirm in writing when the transfer under clause 7.3.1 takes place, that all such Personal Information will be kept confidential as per the provisions of clause 4.1 and that it will not under any circumstances use the aforementioned information for any reason.

7.4   Notwithstanding the termination of the Agreement / Addendum, the clauses 4, 5 and 7.2 will survive any such termination.

8.   GENERAL

8.1   The parties may not modify the provisions of the Agreement / Addendum, including any annexures, unless such variation is reduced to writing and signed by the Parties.

8.2   In the event of any conflict or inconsistency between the terms of the Agreement / Addendum and the other agreements that may be in place to which this Agreement / Addendum is being read with, then the terms and conditions in so far as the processing of the Personal Information is concerned, as set out under the Agreement / Addendum will take precedence and govern its interpretation, application and construction.

8.3   All notices to be provided in terms of the Agreement / Addendum, must be sent to the respective Company's Information Officer or Deputy Information Officer by email at their details recorded on our website.

TECHNICAL AND ORGANISATIONAL MEASURES FOR DATA PROCESSING TO BE IMPLEMENTED BY THE OPERATOR

1. Physical Access Control

Safeguarding admission and access to processing systems against unauthorised parties.

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

- ☐ Alarm system
- ☐ Automatic access control system
- ☐ Locking system with code lock
- ☐ Biometric access barriers
- ☐ Light barriers/motion sensors
- ☐ Manual locking system including key regulation
- ☐ Visitor logging
- ☐ Chip cards/transponder locking systems
- ☐ Video monitoring of access doors
- ☐ Safety locks
- ☐ Personnel screening by gatekeeper/reception
- ☐ Careful selection of cleaning and security staff

2. Data Access Control / User Control

Prevention of third parties using automatic processing systems with equipment for data transmission.

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

- ☐ Authentication with username/password (per valid password regulations)
- ☐ Usage of intrusion detection systems
- ☐ Usage of anti-virus software
- ☐ Usage of a software firewall
- ☐ Creation of user profiles
- ☐ Assignment of user profiles to IT systems

☐   Usage of VPN technology

☐   Encryption of mobile data storage media

☐   Encryption of data storage media in laptops

☐   Usage of central smartphone administration software (e.g. for the external erasure of data)

3.   Data Usage Control / Data Storage Media Control / Memory Control

Ensuring that the parties authorised to use an automated processing system only have access to the Personal Information appropriate for their access authorisation.

Prevention of unauthorised reading, copying, changing or erasure of data storage media (data storage media control).

Prevention of unauthorised entry of Personal Information and unauthorised access to it, changing and deleting saved Personal Information (memory control).

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

☐   Roles and authorisations based on a *"need to know principle"*

☐   Number of administrators reduced to only the "essentials"

☐   Logging of access to applications, in particular the entry, change and erasure of data

☐   Physical erasure of data storage media before reuse

☐   Use of shredders or service providers

☐   Administration of rights by defined system administrators

☐   Password guidelines, including password length and changing passwords

☐   Secure storage of data storage media

☐   Proper destruction of data storage media

☐   Logging of destruction

4. Transfer Control/Transportation Control

Ensuring that the confidentiality and integrity of data is protected during the transfer of Personal Information and the transportation of data storage media (e.g. through powerful encryption of data transmissions, closed envelopes used in mailings, encrypted saving on data storage media).

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

☐ Establishment of dedicated lines or VPN tunnels

☐ Encrypted data transmission on the Internet (such as HTTPS, SFTP, etc.)

☐ E-mail encryption

☐ Documentation of the recipients of data and time frames of planned transmission or agreed erasure deadlines

☐ In case of physical transportation: careful selection of transportation personnel and vehicles

☐ Transmission of data in an anonymised or pseudonymised form

☐ In case of physical transportation: secure containers/packaging

5. Entry Control / Transmission Control

Ensuring that it is possible to subsequently review and establish which Personal Information has been entered or changed at what time and by whom in automated processing systems, for instance through logging (entry control).

Depending on the system, ensuring that it is possible to review and determine to which offices or locations Personal Information has been transmitted or provided using equipment for data transmission, or to which offices or locations it could be transmitted (transmission control).

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

☐ Logging of the entry, change and erasure of data

☐ Traceability of the entry, change and erasure of data through unique usernames (not user groups)

☐ Assignment of rights for the entry, change and erasure of data based on an authorisation concept

☐ Creating an overview showing which data can be entered, changed and deleted with which applications

☐ Maintaining forms from which data is taken over in automated processing

6. Availability Control / Restoration / Reliability / Data Integrity

Ensuring that systems used can be restored in case of a disruption (restorability).

Ensuring that all system functions are available and that any malfunctions are reported (reliability).

Ensuring that saved Personal Information cannot be damaged through system malfunctions (data integrity).

Ensuring that Personal Information is protected from accidental destruction or loss (availability control).

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

- ☐ Uninterruptible Power Supply (UPS)
- ☐ Devices for monitoring temperature and moisture in server rooms
- ☐ Fire and smoke detector systems
- ☐ Alarms for unauthorised access to server rooms
- ☐ Tests of data restorability
- ☐ Storing data back-ups in a separate and secure location
- ☐ In flood areas the server is located above the possible flood level
- ☐ Air conditioning units in server rooms
- ☐ Protected outlet strips in server rooms
- ☐ Fire extinguishers in server rooms
- ☐ Creating a back-up and recovery concept
- ☐ Creating an emergency plan

7. Separation Control / Separability

Ensuring that data processed for different purposes can be processed separately.

The following technical and organisational measures have been implemented by the Operator for the processing of Personal Information described in this Agreement / Addendum:

- ☐ Physically separated storing on separate systems or data storage media
- ☐ Including purpose attributions/data fields in data sets
- ☐ Establishing database rights
- ☐ Logical client separation
- ☐ For pseudonymised data: separation of mapping file and storage on a separate and secured IT system

☐   Separation of production and testing systems

8.   **List of Sub-Operators**

If Sub-processors are hired (for instance for hosting, providing computing center space, operating software used to process Personal Information, etc.) for the processing of Personal Information, the implementation of technical and organisational measures by the respective Sub-Operator must be regulated through appropriate agreements.

The following Sub-Operators have been contracted:

☐   Name of Sub-Operator: _____

☐   Name of Sub-Operator: _____

☐   Name of Sub-Operator: _____

☐   Name of Sub-Operator: _____

* Sub-Operator Agreements to be attached.
